

NATIONAL
MARITIME MUSEUM
GREENWICH

Treasure Ahoy!

Cut out and keep the treasure chest

Look around the Museum galleries. What treasures can you find?

Draw your favourite treasures inside the treasure chest.

Remember treasure is not just silver and gold. Spices, fabric and maps, can be just as precious

After your visit, cut around the edges, fold along the lines and glue the tabs to make a chest for your own treasures.

Tell someone with you about your own treasures.
